Topic: Loneliness

Text: Psalm 139:1,2 (NIV)

Main Point: God is always with us and always cares. When we are lonely, we need to remember that Jesus was also lonely at times and he healed by seeking God. King David also taught us about seeking God to handle and cure loneliness. God often has special jobs for us to do when we are feeling lonely, and he puts friends and family in our lives to help us as well. We can always go to them for help. **We are never alone!**
